MEDICAL RESPONSIBILITIES AND PRIORITIES FOR PATIENT CARE  
PROVIDED BY THE 1130TH ATTG MEDICAL OFFICER AND STAFF

This regulation outlines the responsibilities and priorities of the 1130th ATTG Medical Officer and Staff pertaining to routine patient care for assigned or attached personnel.

1. Scope: The provisions of this regulation are applicable to all assigned or attached personnel in the U.S.
2. Responsibilities and Priorities: The 1130th ATTG Medical Officer and Staff will provide routine medical care to assigned or attached personnel in the following order of precedence.

a. Article Pilots.

b. Other Flying Personnel.

c. Military Work Force.

d. Government and Civilian Contractor Personnel. (May be seen for MINOR ILLNESS if such medical treatment would allow them to remain on the job.)

e. Military Dependents of Assigned Personnel. (May be seen by the 1130th ATTG Medical Officer, when in his opinion, deprivation of such care would result in a significant health or morale problem. This health care is not to be considered a substitute for military dependent medical care provided and outlined in the Host-Tenant Agreement with the USAF Hospital, Edwards AFB, Ca.)
